Dear Tax Client,

We appreciate the opportunity to prepare your tax return for the 2021 tax year. The last two years have really presented many challenges to many; however, we hope the opportunity to prepare your tax return this year will be a smooth and effortless process. If you need an organizer to help gather your information, please let us know. We can send this to you electronically or via USPS mail. We have continued our efforts to reduce our paper usage and waste. We have also introduced a portal called RightShare for electronic transfer of documents. This portal is bank level safe and secure.

The IRS does not allow tax preparation fees to be deducted from your federal tax refund. We cannot release any tax returns without payment in full, so please be prepared to settle any outstanding balances prior to picking up or electronically receiving your return documents. For your convenience we do offer several payment options and are willing to work with you. Our fees will remain the same for 2022. Any information received within fourteen (14) days of filing due date will have an additional 25% Rush fee added to the invoice, this does not apply to those who file extensions.

Your original records will be returned to you at the end of this engagement. You should securely store these records, along with all supporting documents, cancelled checks, etc. As these items may later be needed to prove accuracy and completeness of a return. Copies of your return, supporting documents, and my notes will be retained by Madrona Bookkeeping & Tax Services, Inc for seven (7) years, after which these documents will be destroyed.

Thank you for allowing us to serve you this tax season! This year we will also be supporting local charities in the community. Donating to one of these charities will earn you a **\$15 discount** on your tax preparation services.

To affirm that this letter correctly summarizes your understanding of the arrangement for this work, please sign at the bottom and return with your tax documents.

Thank you again for allowing our office to prepare your return this year! We appreciate your business!
